## INDEPENDENT AUDITORS' REPORT

To the Members of  
**Faith's Orphans Fund**

We have audited the accompanying financial statements of **Faith's Orphans Fund**, which comprise the statement of financial position as at February 28, 2018, and the statements of operations and net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of **Faith's Orphans Fund** as at February 28, 2018, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

The explanatory financial notes form an integral part of these financial statements.

**1. Nature of Organization**

The objective of Faith's Orphans Fund is to meet the needs of orphaned children in Africa regardless of personal background, religion, health status or gender.

As Faith's Orphans Fund is a registered charity under the Income Tax Act, its income is not taxable and it is eligible to issue official income tax receipts for charitable donations.

**2. Summary of Significant Accounting Policies**

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

**(a) Revenue recognition**

Contributions are recorded using the deferral method under which restricted contributions are recognized as revenue in the year in which the related expenses are incurred.

Unrestricted contributions are recognized as revenue when they are received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

**(b) Financial instruments**

All financial assets and liabilities are recorded at amortized cost less any discovered impairment.

**(c) Contributed services and materials**

Donations of materials and services are not reflected in these financial statements because of the impracticality of the record keeping and valuation of them.

**(d) Use of estimates**

The preparation of these financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the current period. These estimates are reviewed periodically and adjustments are made to income as appropriate in the year they become known.

**3. Accounts Payable and Accrued Liabilities**

There were no amounts payable with respect to government remittances as of the year end date.

**4. Financial Instruments**

The entity is exposed to various risks through its financial instruments. The following analysis provides a measure of the entity's risk exposure and concentrations at the year end date.

**Liquidity risk**

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The entity is not exposed to significant liquidity risk.

**Credit risk**

The entity is exposed to credit risk with respect to accounts receivable. The entity regularly assess the collectability of its accounts receivable.

**Market risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The entity is not exposed to significant market risk.

**5. Comparative Figures**

Comparative figures have, in some instances, been restated in order to present them in a form comparable to those for the current year.
